2. The estimate maybe cancelled. That will shorten the number of the P.W. Grants. It may be given out of 30 Grants for Public Improvements either the Revl Secy to Govt. / Head of the next year.

Submitted with reference to para 7

11) The grant under Improvements of Towns and Minor Municipalities does not seem to be meant for being utilised towards in the Major Bangalore cities for which separate grants are given by Govt annually, and in this view the proposal of the Chief Engineer for meeting the balance of Rs 1240 referred to out of the said grant does not appear to be in order. As there is agreeable to the amount being paid next year, it may be met out of the grants of the Trust Bd for 1933-34
